

Dear Club Directors,

We will be closing out the Club Debit accounts for the 2017-18 season. If you have a current balance in your club debit account, we will be issuing checks for the full balance. The KRVA Event System will no longer be used for the 2018-19 season for both the club debit accounts and the proposals for tryouts. The office will be incorporating another system for the 2018-19 season. More information to follow. Please contact registration@krva.org if you have any questions.

Thank you,

KRVA Office
