Tournament Directors:

Member registration for the 2018-19 season will be opening tomorrow 9/1! Please renew your membership with KRVA / USA Volleyball on Webpoint as soon as possible. Remember to choose the option "Adults with Juniors".

Please keep in mind that the US Center for SafeSport changed their policy and the course must now be taken every two years. The coursework should be available after you register.

For more info, check out our website www.krva.org, **which was recently redone and has a lot of great new features!** Check it out!

I have also attached the 2018- 19 Tournament Director Manual. It has been updated with a few minor adjustments, as well as the addition of Appendix I. Appendix I is the Schedule of Fees from the KRVA General Operating Codes.

Please read over it carefully, specifically the changes that have been highlighted in grey.

If you are a new TD it is recommended that you read the entire manual. It will be helpful for all TD's as you prepare for your tournaments.

Sanctioned events are being entered into the new event system, **TM2Sign**. More information on the system for tournament directors will be sent out in the next few weeks.

If you have any questions, please feel free to send us an email at events@krva.org.

Thank you and have a wonderful Labor Day weekend!
