

Junior 2nd Referee Requirements

Overview

This is a very basic Certification level within the region. This level is only used by individuals on teams who are required to either be R1 or R2 when the team works as the officiating team for a match. For those on Junior teams, the emphasis is on the R2 position.

This course is for JUNIOR PLAYERS ONLY.

Requirements/Steps

1. Be a Current KRVA and USA Volleyball member.
 - Register on Webpoint: <https://webpoint.usavolleyball.org/wp15/IntraLock/Login.asp>
Registration for each new season opens September 1 of the current year and is open until the middle of the following summer.
2. Read and Study the current Domestic Competition Regulations (DCR).
 - Available for download from https://volleyballreftraining.com/rules_interpretations_indoor.php
 - Hard copies are available at a rating events or through the KRVA office
3. Complete Appropriate Training and Test through the USAV Academy. The current tests are available around **October 15th** of the current season. All courses are free to current members.
 - For new Player Referees, the course will be titled “KRVA Jr 2nd Referee”
 - For previously certified provisional officials, the training will be titled “KRVA Recertifying Provisional Referee”.
 - Must pass test according to the USAV Academy percentage
 - **Do not** take the training prior to October 15 or the course and the certification will be obsolete for the season. UNLESS the KRVA office announces that the new coursework is available early. You will need to take the correct test when it is released on Webpoint.

For specific instructions on how to sign up for the USAV Academy courses through Webpoint, please follow the instructions here: <https://krva.org/online-course-work/>

For more information on registration, becoming an official, or other announcements, please visit the KRVA officials page at http://krva.org/officals_referees.php.
